TORBAY BEACH GUIDE

The simple pleasures are always the best: relaxing on the sand, building sand castles or playing in the sea. Torbay has 20 beaches set along 22 miles of magnificent coastal scenery.

Many of the beaches have won the European blue flag for cleanliness and water quality. All the beaches are safe for bathing but watch out for warning flags. Also, remember that certain beaches operate a total ban on all dogs between May 1st and September 30th.

Torre Abbey Sands

Torquay's biggest and most popular beach. A large expanse of sand with shallow waters, ideal for families, especially those with young children. Access to the beach is easy, it is close to Torquay's harbour and town centre and has cafés, bars, shops and ice cream vans! You can park along the road or in a car park, both just a few minutes' walk from the beach.

Toilets, telephones and first aid points are all within immediate reach. Popular with windsurfers.

Preston Sands

Another lovely sandy beach, fairly busy during the summer months. Preston offers a café, beach shop, toilets and limited parking.

Livermead Beach

Sandy beach with easy access. Parking is limited to roadside only. The beach has a café and private beach huts. Popular with water skiers.

St. Mary's Bay

Small, unspoilt beach just out of the town of Brixham. Parking can be found half a mile from the beach. There are no facilities.

Combine your sunbathing with a walk along the coast path. All paths are sign posted and you stop at the beaches for a break. If that is too hard for you, check the bus timetable or ring the coach information line as buses stop close to all of the Bay's beaches!

*Ismerősével a strandon járt. Foglalja össze a számára **magyarul**, mit szeretnének megtudni a látogatóktól!*

One of the questions that I would like to hear your answer about is whether you found the beach easily accessible. We have done everything we could to ensure this but we are open to criticism. We have thousands of visitors every year and we would like to improve our facilities, so it would help our planning to know which facilities you used and what other facilities or services you would find helpful. In connection with this, I would also like to hear what you most liked about the beach and if there was anything you were not pleased with.

A következő dolgokat szeretnék megtudni:
